ADVANCED PLACEMENT®

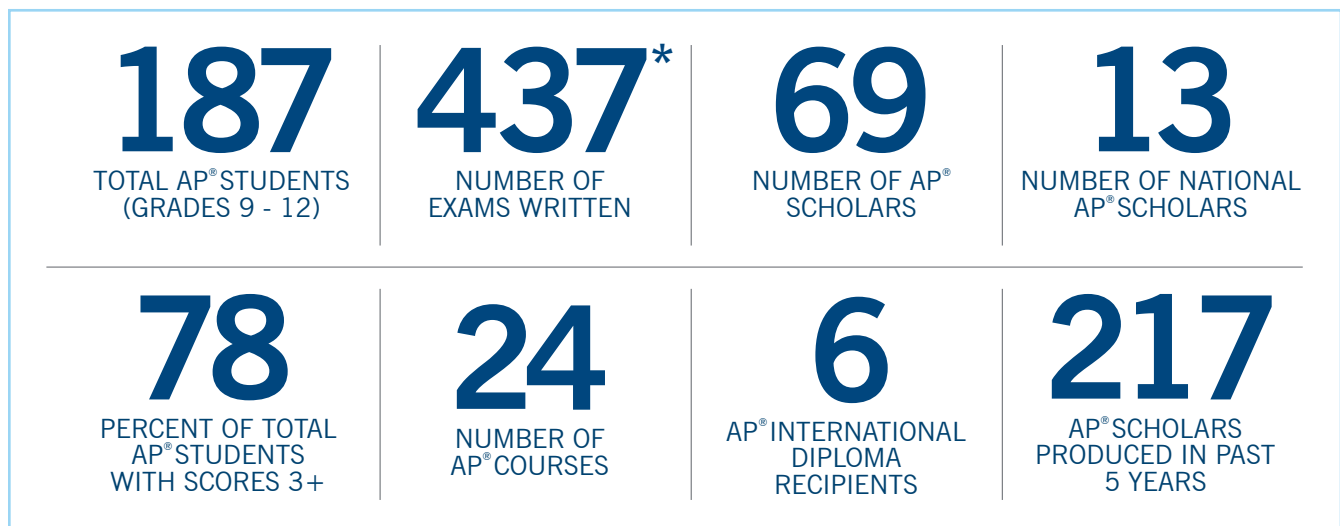

Appleby College offers 24 AP® courses and is the largest Advanced Placement® (AP®) school in Ontario, boasting 187 students writing a total of 437 exams with 78% of students scoring 3 or higher in exams taken in May 2017. In recognition of exceptional performance on multiple exams, the College Board® grants students AP® Scholar status. Appleby has produced 217 AP® Scholars in the past 5 years with 99 students having achieved the entry level recognition (a minimum of 3 AP® exams with an average score of 3) and 37 having achieved the ultimate recognition of National AP® Scholar (a minimum of 5 AP® exams with an average score of 4). Appleby has expanded to offer Arabic, Korean and Russian (National Examinations in World Languages) exams which are recognized by the College Board® as equivalent to AP® exams.

Given our great attention to AP® and our performance on exams, The College Board® has recognized and accepted Appleby College as one of a select group of schools in Canada to deliver the AP Capstone™ Diploma. Students engaged in this 2-year programme will complete a minimum of 4 AP® exams along with a Seminar course and a Research component, the latter two elements modeling the critical thinking skills necessary and the scholarly research-based investigations conducted in university.*

In an effort to continually improve the academic strength of our school and prepare students for post-secondary education, we look to innovative approaches in our delivery of AP® courses. The programme is strengthened with the Pre-AP® course work completed in the Junior years in which students are introduced to the skills, concepts, language, and activities necessary for Senior course work, AP® classes and exams, and university performance. All students enrolled in AP® classes attain the Ontario Secondary School credit associated with that particular course but, over and above that, receive significant enrichment in order to prepare for AP® success. Students demonstrating knowledge and skill in AP® subjects where no equivalent Appleby class is offered, receive additional support from faculty in order to supplement learning and prepare for the AP® exams. As the College Board® continues to expand its programme, Appleby continues to embrace its philosophy and innovate its offerings.

*50 students are currently enrolled in this program with 22 prepared to achieve the diploma in July 2018.

2017 AP® STATS AT-A-GLANCE
