

JOIN US FOR AN UNFORGETTABLE OVERNIGHT EXPERIENCE AT THE SUMMER CAMP YOU KNOW AND LOVE!

During Camp week 6 (July 28 - August 2), week 7 (August 5-9), week 8 (August 11-16) and week 9 (August 18-23), campers ages 10-14 now have the option of spending five nights in boarding on Appleby's beautiful lakefront campus! This program is designed to help campers and Enrichment students build independence & confidence in a fun, safe and inclusive environment, without being too far from home. The cost of this program is \$675 per week plus 13% HST. Note that this add-on fee is in addition to the fee of the camp or Enrichment program itself.

DETAILS, FACILITIES & STAFFING

In our online application system, campers will add the Appleby Overnight option onto any of the many exciting and engaging camp or Enrichment programs we offer during their preferred week. Arrival is Sunday evening, and campers depart on Friday after their final camp day concludes. The exception to this is in Week 7, where there are no day camps being offered on Monday, August 5 due to the Civic Holiday. This week Campers will arrive on Monday evening rather than Sunday, and pricing is adjusted to reflect the shorter time.

At the end of each camp day, overnight campers will make themselves at home on campus, enjoying games and activities into each evening – campfires (complete with songs and marshmallows, naturally) included! Evening programming includes group games and challenges like Capture the Flag and an all-camp talent show, team-building exercises, and use of Appleby's incredible indoor and outdoor sports and recreational facilities. In addition to daily camp lunches, full buffet-style hot breakfast and dinner are included each day, with varied, nutritious options offered and dietary restrictions accommodated. Snacks and fruits are also provided for each camp day as well as after hours.

Appleby Overnight is supervised by caring, qualified and trained camp staff, living alongside campers in Appleby's boarding houses. A separate team from the daytime camp instructors, these individuals run all afternoon and evening programming, accompany campers to meals, check them into camp each morning and, of course, do a lights-out check at the end of each fun-filled day. All staff receive comprehensive training in overnight program operations, have current Standard First Aid and CPR-C, as well as valid Police/Vulnerable Sector checks. Campers have access to Appleby College's on-site medical facilities with 24/7 access to nursing support. Overnight campers will stay in comfortable, air-conditioned and access-controlled boarding houses, accommodated by gender, and all bed linens are included. Campers will have access to shared bathrooms, private shower stalls and are likely to have a roommate (yes, we do take requests for matches!) As an added bonus, the final night (Thursday) includes an optional outdoor tent sleep out, so bring your sleeping bags!

HOW DOES REGISTRATION WORK?

When registering online, select from any of the dozens of available Camps and Enrichment programs offered during your preferred week: week 6 (July 28 - August 2), week 7 (August 5-9), week 8 (August 11-16) and week 9 (August 18-23). Further on in the application process, you will select "Appleby Overnight" as an add-on to your selected program, the same way you would select "Before & After Care" as an add-on to your camp week.

The one exception to this rule is Senior Leader Camp from August 18-23, which already includes a 5 night on-campus stay!

* 13% HST is applicable to all non-credit and academic and boarding programs including the Appleby Overnight add-on. Please note that 13% HST will be added on to the day camp portion of the program after the camper has been accepted into Appleby Overnight, appearing as a separate, additional charge.
