# APPLEBY ACADEMICS

Academics at Appleby are based on a rigorous university preparatory curriculum. Students graduating from the school earn the Ontario Secondary School Diploma (OSSD) and the Appleby College Diploma. Appleby is also the first boarding school in North America to offer an integrated global education programme which culminates in the achievement of the *Appleby College Diploma with Distinction in Global Leadership*. The OSSD is granted upon completion of 30 appropriate credits, and the Appleby College Diploma is granted upon completion of 30.5 appropriate credits. In addition to the OSSD requirements, the Appleby College Diploma has even more rigorous academic requirements combined with significant co-curricular requirements.

**English:** Honours English is a required subject at all grade levels.

**Language and Culture:** French is a required subject for students through to the end of Upper One (Grade 9). One additional World Language (Arabic, Spanish, Mandarin, or German) is required in Upper One (Grade 9) and Upper Two (Grade 10).

**Mathematics:** Math is required for all students through to the end of Senior One (Grade 11). Students may carry more than one Math course in their junior or senior years. Students completing Calculus in their junior year can take an AP Calculus course or complete the AP Calculus AB through the Mathematical Modeling course.

**Science and Technology:** Science is required for all students from Upper One (Grade 9) through Senior One (Grade 11). All core science courses are laboratory-based courses with AP options.

**Social Sciences:** Students carry at least one Social Science course from Upper One (Grade 9) through Senior One (Grade 11). Senior One (Grade 11) Social Science serves as the pre-requisite to most Senior Two (Grade 12) Social Science courses.

**Visual & Performing Arts:** Students are required to take at least one Visual or Performing Arts course in Upper One (Grade 9). AP\* Art History is available for students in their senior year.

**Physical & Health Education:** All Physical Education courses have physical activity and in-class components. Senior Two (Grade 12) Introductory Kinesiology - Outdoor Education and Introductory Kinesiology courses are classroom and academic based university preparatory courses focusing on kinesiology, sports injury management, and leadership skills. The Northward Bound programme is a series of leadership courses offered from Upper One (Grade 9) to Senior Two (Grade 12) and required at the Grade 9 and 10 level.

## LETTER GRADE EQUIVALENCIES

Senior Year averages are based on the mean of the best six university preparatory courses, including English 4U. Cumulative averages or ranks are not calculated. Letter Grade equivalents are as follows:

A+: 90% +

A: 80% +

B: 70 – 79%

C: 60 – 69%

D: 50 – 59%

F: below 50%

\* Promotion mark to next grade level is 60%.

## APPLEBY STUDENTS

Our graduating class challenges themselves with demanding courses and participate in a wide variety of co-curricular programmes during all three school terms. They were admitted to many of the finest universities including highly selective programmes. Our Senior Two (Grade 12) students traditionally earn 6 to 7 credits in their final year. Upper One to Senior One (Grade 9-11) students complete 8 credits, respectively, per year.

## RANKING POLICY

Appleby does not include a class rank on a transcript. Ranking differentials are so fine that it unfairly classifies a number of students of very similar calibre.

## DISCIPLINE POLICY

It is Appleby College's policy to report to US universities academic and serious behavioural infractions. This is in accordance with The Statement of Principles of Good Practice 2016 outlined by The National Association for College Admission Counseling. Appleby College's obligation to report infractions and disciplinary action continues until submission of the Final School Report after graduation.

## THE APPLEBY COLLEGE DIPLOMA

The *Appleby College Diploma* involves more rigorous academic requirements than the Ontario Secondary School Diploma, and is combined with significant co-curricular requirements such as:

- ▶ A minimum of 25 hours of service per year for a total of at least 100 hours over four years.
- ▶ One French credit and one additional credit in a third language (German, Spanish, Arabic or Mandarin), with one of these languages continuing for a second year.
- ▶ Science, math and social sciences until the end of Senior One (Grade 11).
- ▶ Students are required to complete the Bronze award of the Duke of Edinburgh programme. They are strongly encouraged to complete the Silver and Gold requirements as well.
- ▶ All senior students are required to live in boarding during their senior year.
- ▶ Participation in Arts, Athletics and Service activities every term.

## THE APPLEBY COLLEGE DIPLOMA WITH DISTINCTION IN GLOBAL LEADERSHIP

The *Appleby College Diploma with Distinction in Global Leadership* recognizes the efforts and achievements of students who are committed to global citizenship and education. Successful students complete the following in addition to the Appleby College Diploma requirements:

- ▶ Two different types of Global Experiential Trips
- ▶ Global Experiential Coop credit associated with Senior Social Science course and connected to Global Experiential Trip
- ▶ Study of two different World Languages with one studied to the Senior Two (Grade 12) level
- ▶ Completion of Outdoor Education Programme
- ▶ Duke of Edinburgh Silver or Gold Award
- ▶ Engagement in Residential Life Programme
- ▶ Global, Social Justice or Intercultural focus in at least two co-curricular activities
- ▶ Series of Grade 12 Global Scholars assignments connecting global issues, perspectives and outlooks to Grade 12 Academic courses
- ▶ Interdisciplinary course in World Issues and Social Justice (IDC4UG) designed for the development and presentation of a 5-year Global Action Plan

## ADVANCED PLACEMENT®

Given our great attention to AP® and our performance on exams, The College Board® has recognized and accepted Appleby College as one of a select group of schools in Canada to deliver the AP Capstone™ Diploma. Students engaged in this 2-year programme will complete a minimum of 4 AP® exams along with a Seminar course and a Research component, the latter two elements modeling the critical thinking skills necessary and the scholarly research-based investigations conducted in university.\*

In an effort to continually improve the academic strength of our school and prepare students for post-secondary education, we look to innovative approaches in our delivery of AP® courses. The programme is strengthened with the Pre-AP® course work completed in the Junior years in which students are introduced to the skills, concepts, language, and activities necessary for Senior course work, AP® classes and exams, and university performance. All students enrolled in AP® classes attain the Ontario Secondary School credit associated with that particular course but, over and above that, receive significant enrichment in order to prepare for AP® success. Students demonstrating knowledge and skill in AP® subjects where no equivalent Appleby class is offered, receive additional support from faculty in order to supplement learning and prepare for the AP® exams.

In their Junior year, students have access to the following AP courses: English (either AP Language or AP Seminar), AP US History, AP Human Geography, AP Physics 1 and AP Computer Sciences. If a student has accelerated their learning in math and the languages they have access to AP Calculus (AB), AP Statistics, AP Mandarin or AP French. Due to course blocking, not all AP courses can be scheduled in their Junior year.

*\*52 students are currently enrolled in this programme with 27 prepared to achieve the diploma in July 2020.*
