2017-18 COURSE GUIDE

# Welcome to Appleby College's connected!

Appleby is very much a community, and once you are a part of the community, you are a member for life. Whether you are a parent, alumni, alumni parent or Appleby employee, we value your contribution. The following courses have been set up to further unite and strengthen our community. Please read on and join us for one of Appleby's 2017-2018 connected offerings.

Appleby's connected courses are open to all adult members of the Appleby community: alumni, parents, alumni parents and employees and offer an opportunity to learn something new and interesting. They are a great way to re-connect with the school and have direct access to our talented faculty, administration and extensive facilities.

I encourage you to register early and come out to enjoy Appleby's connected experience. You will make new contacts, join old friends and have a great time learning together.

To participate in any of Appleby's connected opportunities, you must register online by the deadline indicated. Just click on the appropriate link, enter your information and you are registered! If you have any questions specific to the course you want to take, an e-mail contact is listed for each. These courses are all offered free to the Appleby community. Please enjoy some of these opportunities!

Sincerely,

Andy Jelinek

# Exploring the Arts

## SIPS AND SONGS

Taking inspiration from the highly successful Canadian musical choir, "Choir! Choir! Choir!", Appleby faculty members Ericka Shodin, Sarah Morrison and Sara Joy will lead participants through a rehearsal to learn some of the great music hits of our time. Each session will be dedicated to a different song. Lyric sheets will be provided, harmonies will be taught, and a rehearsal will ensue with opportunities for socializing while making music with a group of people.

## PORTRAIT EDITING WORKSHOP

How do people get such a perfect complexion in their photos? What is a bokeh effect? How can I get rid of the photobomber in my favourite picture? In this workshop, you will learn all the basic tools of Adobe Lightroom and feel like a photo editing wizard. Come see how much you can shine up your favourite candid or posed portraits. These will surely be photos you want to print and frame at home! Led by Bryce Petersen, visual arts teacher, participants are asked to bring in a USB with no less than three of your favourite portraits, group shots or selfies for editing.
